

Virtual K-12 Elementary

Dearborn Public Schools
Virtual K¹²

Why Virtual

- In person field trips to Detroit Zoo, Greenfield Village, Henry Ford Museum, Sky Zone, High Velocity.
- Interactive virtual assemblies.
- All specials taught synchronously: music, PE, art, enrichment and media.
- Same curriculum, but in the comfort of your own home.
- Ongoing communication with the teacher through Remind, ClassDojo, and Schoology.
- Special support(s) for any child in need: speech, OT, PT, reading, and special education.
- All supplies provided by the school like chromebook, books, manipulatives, and MORE!

Virtual School Experience by Mariam (4th Grader)

What Parents are Saying about Virtual.

Thank you so much I'm sitting here listening to him read I'm tearing up I can't believe he's actually reading 😭 you are awesome thank you for all your hard work 🙏❤️

She's typing: "I love you because.." 😊

She asked me to spell out because and she typed it.. and she is sitting there and sounding out the words and repeating them to herself

Thank you so much I am proud of him and his achievement. And I would also like to thank you for working with him on his reading

Thank you as well for all of your support and for helping us so much this year! We are truly grateful to you and appreciate everything you do! ❤️

Our daughter had a great learning and social experience in this program. She was exposed to various aspects and resources that promoted her educational and social practices. Mrs. Miller played a major role in this with her all-time positive attitude, the way she managed her groups, morning greetings, daily discussions and closing meetings with her students. They were involved and engaged and always encouraged to share their personal opinions and experiences. I hear my daughter expressing her love to her teacher everyday and it just makes happy that she's obtained such an amazing relationship with Mrs. Miller! I highly recommend this program for parents who work from home and are able to stay home with their kids and would like to be involved in their children's learning. It's not very easy, but it's worth it if you're available to do it!

Reasons for Opening Outside of the District

- To retain highly qualified teachers in the district, in a setting they have excelled at the past few years.
- Give students outside the district the opportunity to have a Dearborn education that is safe and convenient from their own home.
- To be competitive with other districts opening up virtual academies nearby and opening up Dearborn to students in other districts that no longer offer virtual as an option for the coming years.

THANK YOU
